

# Long-term strategy draft presented at board by Tibbits

By William Wolfe

President John Tibbits presented the draft of an extensive long-term strategy report for Conestoga College at the board of trustees meeting on April 23.

The draft document for review would determine defined eight key goals:

- General policies, including plans for expansion and restructuring of operations and organizational structure
- Marketing strategy
- An academic plan to ensure educational and research interests, ensure program viability and to provide a clear focus
- Administrative changes, including improvements in organizational structure and personnel
- Financial and physical resources
- Evaluation of college operations
- Improvements in infrastructure and resources provided to students
- Development of a community relations plan
- Expansion of financial resources to support services and professional development opportunities
- Development of a social equity, more recruitment strategy and of college facilities to provide a more professional image
- Financial security designed to ensure future years' financial success
